

Frequently Asked Questions

What is Included?

- Pages: Home, Services, About, Contact, plus individual service pages as needed
- Custom design tailored to your brand
- SEO setup with backend + on-page optimization*
- Unlimited revisions up until launch
- Fully managed launch (domain connection & final review)
- 1 week of post-launch support
- Optional one-on-one tutorials

Additional costs may apply for:

- More than 6 total pages
- Advanced functionality or custom features

You'll need to provide:

- All images
- Your own domain and Wix hosting subscription

What about ownership?

- Once your site is launched, you'll have full ownership of your Wix website and account. By using Wix, you agree to their platform and terms of service.
- I am not responsible for issues related to Wix itself, including downtime, platform changes, or third-party disruptions. Ongoing access and management of your website is your responsibility—even during an active support period.

Additional Info:

SEO setup is included at launch only and does not include ongoing optimization.

** Unlimited revisions apply up to launch. Post-launch edits are billed hourly unless otherwise agreed upon.
